REMARKS

Upon further review of the application, it was noted that some words were omitted from claim 27 and that claim 24 was somewhat vague because the word "contains" may not be interpreted as being open-ended. These points are addressed by the present Amendment. Entry is in order.

To the extent necessary during prosecution, Applicants hereby request any required extension of time not otherwise requested and hereby authorize the Commissioner to charge any required fees not otherwise provided for, including extension, extra claims, and application processing fees, to Deposit Account No. 08-2025.

Respectfully submitted,

COLIN I'ANSON et al.
